The interest for photography was sure renewed after becoming a TE member in 2003.

Jack's portfolio at Te covers mainly Europe, in this presentation a selection from 3 European countries:

Norway
France
Portugal

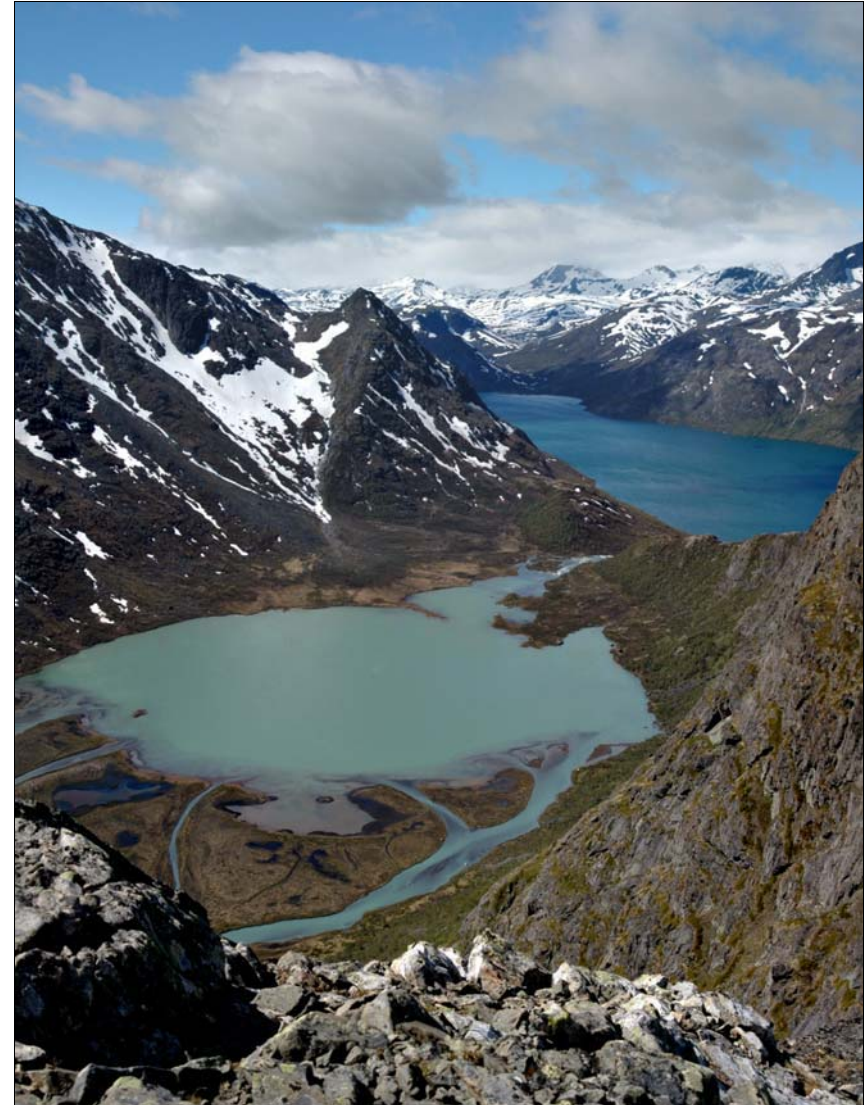

Camera:
Nikon D 70

Portugal: Roofs of Alfama. Motive from the oldest part of Lisboa.

France: A man and his boat in typical Catalan style sailing outside the little town Collioure in the South

Norway: From Mt. Knutshøi in Jotunheimen, a central massif in the South of Norway. The foreground lake made of pure water from melted glaciers.

France: Deep into a small valley in the South of France, not far from the Spanish border you will find this old monastery and hermitage N.D Consulation. The old buildings almost hidden in the green plush.
